Subject:	Communication from Saudis

Oded

Please find attached two documents from the Saudis:

1.A letter of introduction on who they are and expressing their interest in representing Rothschild Investment Bank in Saudi Arabia
2. Letter of Intent related to raising a $200M healthcare fund under the name of Rothschild.

I am leaving it to your discretion whether to forward it to Miki, Fabrice and anyone else at the bank.

Best Regards

Benad
